Policy and Procedure Title: Feedback to Learners	Policy No: CCTP504	Version: 2.0
<p>Policy Statement</p> <p>Assessment feedback supports learning and is an essential part of any programme of education and training. It is CCT policy that all modules should include sufficient, timely, diverse and fit-for-purpose feedback on assessments that: encourages effective learning; informs individualised feedback and support; and measures progress towards the attainment of the intended programme learning outcomes.</p> <p>Regular progress feedback to learners by lecturers and other staff members, together with timely and appropriate responses to coursework, form a necessary backdrop to quality programme delivery.</p> <p>CCT has mechanisms in place to provide feedback to learners in respect of all continuous assessment and also has a procedure for learners to seek additional feedback in relation to examination performance, upon request.</p> <p>This procedure is distinct from that of a formal review and is used as a means of providing formative feedback to the student for future benefit. It is not a means of seeking a grade change.</p> <p>The intention of this policy is to notify learners of their entitlement to feedback and the means of seeking additional feedback, and to provide faculty with clarification on their obligations in respect of providing feedback to learners.</p>		
<p>Definitions and Principles</p> <p>Feedback: communication to learner in respect of their performance in a formative assessment and in the context of the graded awarded in a summative assessment. Feedback allows the learner to see where they received a grade for assessment and where they can improve if necessary. It also allows them to appreciate their strengths and weaknesses in respect of their learning and development within a module.</p>		
<p>Staff Involved</p> <p>All full time and part time faculty within CCT, Lecturers, Faculty Heads, Dean of Academic Affairs & College Registrar, Faculty Coordinators, QA Officer</p>		

<p>Learners can request to meet with the lecturer/assessor of the module in question for further clarification on feedback and/or results.</p> <p>Feedback on Examination Performance and Discussion of Examination Scripts In accordance with QQI Assessment and Standards 2013, CCT affords learners the opportunity to seek feedback on their examination performance and discuss the examination script.</p> <p>The purpose of an examination feedback meeting is to provide the learner with a greater understanding of their performance, detailing where further consideration is required for a higher mark and also identifying the strengths in the work completed. The feedback session is of particular importance to those learners who are required to repeat.</p> <p>Any learner wishing to discuss their examination script should contact the QA Officer formally request to do so. The request should be made not later than 5 calendar days after the publication of results. The QA Officer will make all appropriate arrangements.</p> <p>The request will be responded to and arrangements will be made for the feedback to be provided, normally within 14 days of the request being acknowledged.</p> <p>Additional feedback should be in writing. A learner may request a meeting with the examiner as part of the feedback request.</p>	<p>Learner QA Officer</p>	<p>Written requests Meeting records</p>
<p>The learner may be accompanied to the meeting but is required to notify the College in advance of the details of the individual accompanying them. Any accompanying attendee cannot be a legal representative or legal advocate, and the learner and accompanying attendee will be asked to confirm that this is the case. The accompanying attendee is invited to attend in a supportive capacity but is not invited to contribute to the meeting or discussion. The examiner reserves the right to close the meeting where this requirement is not adhered to. No further meeting will be arranged.</p>	<p>Learner</p>	<p>Notification records Notes of meeting</p>
<p>Learners are advised that discussion of examination scripts is intended as a feedback process to assist understanding and enhance future examination performance. It is not used as a means of identifying perceived errors in the assessment process or in the recording of results. Any learner wishing to seek a review or a recheck should follow the appropriate procedure to do so. Learners should not delay their application for a review or recheck until the feedback has been provided as this may invalidate their entitlement to apply.</p>	<p>Learner</p>	<p>Review / recheck applications</p>
<p>Should it be highlighted by learners they are not receiving feedback or not receiving it in a timely manner, this issue will be addressed by the Head of Faculty or Dean of School. Learners can highlight their concerns regarding</p>	<p>Learners Head of Faculty</p>	<p>Student satisfaction survey Class rep meetings</p>
